### Election Tables Repeated

If on glancing through the inside pages of today's Star you note a couple of election tables and say to yourself, "Why, they're the same tables I saw Wednesday"—you would be correct.

But not entirely—today's tables have been corrected so they "read" properly. There was a shift in several columns of both tables as printed Wednesday which made it difficult, if not impossible, to tell the score in individual counties—particularly on the lower half of the tabulations.

This was a mistake that occurred in makeup in our shop—but the circumstances are excusable.

Where the table is large—several candidates across all 75 counties of Arkansas—the Associated Press telegraphs the table in two sections, a lefthand section and a righthand section. Then each newspaper pastes up the two tabulation sets so they will read crosswise as a single tabulation.

But we didn't make a good match. So we have corrected the tables and are re-running today.

Why? Well, a newspaper is a chronicler of events, with a file going back—to 1899 in the case of The Star. Some local person 10 years from now may have occasion to consult our files to determine what candidate carried a certain county back in 1972. And The Star file will tell him exactly.

The interested person would have had difficulty making out Wednesday's tables—but on checking the next issue, this Thursday, he would find the correct answer.

This may seem to you to be nit-picking—but that's how we try to run this newspaper—the quick facts today, but also an accurate report for history 10 years from now.

Considering the way the wire transmits an election table in two "takes" that have to be matched locally, I'll tell you what the trick is:

Make sure the totals line up at the bottom of the table. If they do, then the table will read correctly, from bottom to top.

I know this from many years in the business. I checked Wednesday's front page but forgot to check the election tables on the inside pages—therefore the error is mine, not the shop's.

## CAB Committee Dissolved

WASHINGTON (AP) — A committee set up by the Civil Aeronautics Board to represent the interests of airline passengers has been quietly dissolved after meeting five times in two years.

No member of the board ever attended meetings of the Consumer Advisory Committee, according to chairman Reuben B. Robertson III, a Ralph Nader adviser.

Robertson said when he complained to CAB Chairman Secor D. Browne about the committee's inactivity, Browne replied in a letter, "The time has now come to dissolve the committee."

Robertson asserted the airline industry pressured the CAB to limit and eventually eliminate the presence of an independent consumer organization attached to the CAB.

Browne denied that, and said consumer interests were represented in a variety of other ways before the board, including the Aviation Consumer Action Project, a Nader spin-off which frequently testifies at board hearings.

## Fisherman Drowns

HELENA, Ark. (AP) — Authorities said Ernest Temple, 38, of West Helena apparently drowned while fishing in Old Town Lake about 15 miles south of here Wednesday.

He said Temple had a history of heart trouble.

## Pryor Wants Debate With McClellan

LITTLE ROCK (AP) — Rep. David H. Pryor, who charged into a June 13 runoff with Sen. John L. McClellan for McClellan's U. S. Senate seat, challenged the senator Wednesday to meet him in a statewide televised debate.

Pryor, 37, also challenged McClellan to make a full public disclosure of his sources of income.

Pryor said McClellan had been described as one of the wealthiest men in the Senate and he considered the senator's financial resources a key issue.

An issue was made of McClellan's numerous bank holdings in the primary campaign.

McClellan was unavailable to newsmen Wednesday, but Pryor met with supporters and reporters on the steps of an old house here that serves as his campaign headquarters.

Pryor claimed he was "very, very close to victory" in the runoff campaign because the voters felt McClellan's 30 years in office were "just too long."

The congressman said the 76-year-old McClellan's long tenure was a campaign issue that overshadowed any impact the senator's age might have had on the race.

Pryor said he considered McClellan's age a "fact" and not an issue. More important to the voters, he said, is that they want "a new beginning" with a senator who "cares more about people" than a "brick-and-mortar concept of progress" he said was McClellan's pre-occupation.

Pryor, who claimed a psychological advantage for the runoff, appealed for the endorsement of Ted Boswell of Bryant, who ran third in Tuesday's primary, and of Boswell's supporters, saying they held similar viewpoints.

Boswell said Tuesday night he would make a statement in a few days.

McClellan also has asked for Boswell's support.

Pryor said Boswell ran a "statesmanlike" campaign, adding that he knew of no candidate who "articulated the issues more clearly."

Pryor said he expected some of McClellan's first-primary votes to defect to him in the runoff. He said many persons who voted for McClellan Tuesday felt they owed the senator the vote, but that they now felt free to support the challenger.

## Sheriff Pursued In Chase

JOPLIN, Mo. (AP) — Charles Whitlow, Jasper County deputy sheriff, said he was chased twice at speeds of 100 miles per hour Wednesday while he was taking a prisoner to the Missouri prison at Jefferson City.

The prisoner, Gary Vincent Johnson, 25, had been sentenced to 99 years for armed robbery in the holdup of the Paddock State Line liquor store west of Joplin last fall. He also is wanted in Wyandotte County, Kan., in connection with a tavern shooting.

Whitlow said he first was chased in Lawrence County on U.S. 66 but outran the pursuer. The second chase, he said, was in Laclede County, where other officers answered his radio call for help and arrested the pursuer.

The sheriff's office at Lebanon said William Turnbough, 28, of Springdale, Ark., was charged with driving while drunk. His bond was set at \$250.

Johnson's brother, Jack Johnson, 21, is serving 15 years in 38, of West Helena apparently drowned while fishing in Old Town Lake about 15 miles south of here Wednesday.

The Johnsons were charged with shooting at two officers last Oct. 12.

## Highway Fatality

JONESBORO, Ark. (AP) — Authorities said that Hulon Fulmer, 64, of Lake City was killed Wednesday when his pickup truck ran off a bridge into a water-filled ditch on a county road about eight miles east of Bay.

An autopsy was ordered to determine whether Fulmer drowned or died in the crash of his truck.

## Livestock Prices on the Upgrade

WASHINGTON (AP) — After slumping for two months, farm livestock prices are on the move again and soon may force consumers to gird their loins at meat counters.

The Agriculture Department reported Wednesday that livestock prices rose in May to an all-time high of \$33.10 per 100 pounds. Hogs averaged an 11-per-cent increase, to \$24.90, mainly as a result of fewer baby pigs last winter.

According to the trend, beef and pork soon may be headed for another round of retail-price increases if the higher farm prices are passed on fully by middlemen.

Meat, which makes up around 30 per cent of the family food budget, is a key cost-of-living indicator.

Although down in April, wholesale and retail meat prices for May could be pushed up again by the latest farm surge.

Government reports on the situation, however, will not be announced until later in June. Meantime, the rising livestock prices are being eyed closely by consumer-conscious Nixon administration economists.

Here is what happened: In late February, after enjoying a five-month price climb, farmers began getting less for live cattle and hogs.

Pressure from the administration, including jawboning and some rollbacks ordered by the Price Commission, subsequently led to some shrink in middleman markups. By April, retail food prices dropped generally, led by dips for beef and pork.

Now, according to the latest USDA reports, the upswing in farm prices is on again.

For example, all beef cattle in mid-May were up 4 per cent from April; hogs were 11 per cent higher. Compared with a year ago the total livestock-price index was up 20 per cent.

Although frequently erratic, farm prices can have an important impact on both wholesale and retail prices when increases on the farm occur over a sustained period.

## Downtown Plans To Be Crystallized

The design team for Hope Downtown area will be conducting intensive idea sessions June 5th thru June 9th with city officials, property owners, and businessmen in the downtown area.

Tom Hodges, planner for the Housing Authority said that decisions will be made concerning traffic circulation, parking pedestrian areas, landscaping and building renovation.

The team will be located in the store building next to the Crescent Drug Store, during the week and will conduct meetings at various locations with owners and merchants from each block in downtown.

The activities will be kicked-off at a Dutch Treat starting at 6:00 p.m. on Monday 5th, at Linbert's, 223 Main St. all downtown people are urged to be there.

The design team consists of members of the planning and engineering firm, Urban Planning & Development Corporation and the architectural firm, Cronwell, Neyland, Truempert, Miller & Gatchell, both of Little Rock.

## Paratroopers Drop in for Hue Defense

By GEORGE ESPER  
Associated Press Writer

SAIGON (AP) — More than 1,000 South Vietnamese paratroopers launched a sweep with tanks 25 miles northwest of Hue today, trying to trap a North Vietnamese regiment.

Enemy artillery caused light casualties, and by late afternoon two government task forces were battling North Vietnamese units of 100 or more men each.

In the air war, U.S. Air Force Phantoms shot down two North Vietnamese MIG21s within 30 miles of the Chinese border Wednesday. No U.S. planes were reported lost in the dog-fight, the closest to the border since the 1965-68 bombing campaign.

But the U.S. Command said a Phantom returning from a strike in North Vietnam today crashed just before reaching its Thai base, and the two crewmen were rescued unhurt.

The U.S. Command said the two MIG21 interceptors were shot down within 15 minutes of each other at points 50 to 70 miles northeast of Hanoi by missiles from two F4 Phantoms based in Thailand. The MIGs apparently had been sent up from the Kep air base, 35 miles northeast of Hanoi, to challenge the bombers which the Phantoms were escorting.

North Vietnam also was hit from the sea. The heavy cruiser Newport News and the destroyer Waddell ranged for 100 miles along the coast, firing at more than 30 targets. The Navy said one fuel depot was left in flames and more than 20 secondary explosions were observed at an ammunition dump.

Accompanying the ground sweep, Associated Press correspondent Holger Jensen reported that more than 1,000 paratroopers with scores of tanks and armored personnel carriers advanced through a North Vietnamese artillery barrage in the foothills northwest of Hue.

A blocking force of several hundred marines is also taking part in the operation. More than 30 U.S. B52 bombers dropped 750 tons of explosives on the area in advance of the South Vietnamese ground troops. An overcast set in later, hampering support by smaller fighter-bombers, but South Vietnamese artillery was countering the enemy barrage with heavy fire.

In the central highlands, South Vietnamese forces in Kontum reoccupied the area around the hospital Dr. Pat Smith of Seattle, Wash., had operated for Montagnard tribesmen, and the remaining patients and staff members were reported unharmed despite heavy fighting in the neighborhood.

Government troops in Kontum also were reported to have reoccupied a Roman Catholic compound in the southeast part of the city.

South Vietnamese forces were reportedly slowly clearing out the enemy pockets remaining in Kontum. They claimed 237 North Vietnamese killed Wednesday and said they found the bodies of another 128 in mass graves on the northern outskirts of the city.

# President Winds Up Foreign Tour; to Speak Tonight

## Laser-Beamed Bombs Deadly

By GEORGE ESPER  
Associated Press Writer

SAIGON (AP) — Guided by laser light beams or television cameras, the electronic "smart bombs" U.S. pilots are dropping on North Vietnam have accomplished more in two months against certain targets than the entire 1965-68 bombing did, American officials say.

"We've been able to cut most of the major bridges and roads from the defense lines north of Hue up to the Chinese border," one official claimed. "Both the northeast and northwest rail

lines from Hanoi to China have been cut."

Officials report no signs of major movement of war materials from China, either by rail or truck.

The smart bombs had been in the development stage for two years. They were used only on a limited basis in Indochina until President Nixon resumed the full-scale bombing of North Vietnam on April 6 in retaliation for the enemy offensive in South Vietnam.

Generally, two jets operate together in using the laser bombs. One is armed with a laser gun that spotlights the target with the light ray. The beam is narrow, like a rope, and does not widen as a spotlight would.

The second jet drops the bomb, which is fitted with a mechanism in its nose that homes in on the light ray. U.S. officials say the margin of error for a laser bomb is five feet or less, while a "dumb" conventional bomb dropped with normal trajectory has a margin of error of 150 feet due to the plane's speed and altitude and wind conditions.

The laser-guided bombs are generally 2,000-and 3,000-pound blockbusters used on bridges that range in width from seven feet to more than 50.

Among the major targets reported destroyed by these laser bombs was the Thanh Hoa

SAIGON (AP) — Ten Americans were killed in action last week, 11 were missing and 35 were wounded, the U.S. Command announced today. This raised to 416 the number of American combat casualties reported in the two months between the start of the North Vietnamese offensive March 30 and last Saturday.

The command's weekly casualty summary also, reported that one American died from nonhostile causes last week.

The American combat casualties were higher in all categories last week than the week before. That week the figures were 8 killed in action, 7 missing, 22 wounded and 9 dead of nonhostile causes.

The South Vietnamese command reported 754 of its troops killed last week, a drop of three. But the wounded increased by 430 to 2,781, and 312 troops were missing in action, 98 more than the week before.

The South Vietnamese also claimed a big jump in enemy dead, from 3,994 the week before to 5,218 last week.

Total casualties for the war, according to the allied commands, are:

American—45,765 killed in action, 303,046 wounded, 1,601 missing or captured, 10,180 dead from nonhostile causes.

South Vietnamese—144,238 killed, 368,499 wounded.

North Vietnamese and Viet Cong—840,909 killed.

The U.S. Command also announced the biggest single troop withdrawal since the North Vietnamese offensive began, but the entire reduction of 2,460 men involved support units. The command said it was phasing out 37 Army units.

Dr. James Doherty, Veterans Administration Hospital, Little Rock, will be in Hope the morning of June 6, 1972, to meet with doctors of the area. Dr. Doherty is one of the consultants in the University Medical Extension Service, a UAMC project funded by the Arkansas Regional Medical Program.

The sessions are held in relation to various problems experienced by local physicians and the courses are extensions of new techniques and methods being taught at the University of Arkansas Medical Center. The sessions consist of consultations, a selected patient, and an out-patient clinic, and discussions of patient problems.

# Coal Mine Safety Laws For Angela Davis Attacked

WASHINGTON (AP) — The U.S. Bureau of Mines is under-going a fresh attack on its enforcement of coal-mine safety laws. But this time the controversy has broadened from danger in the mines to above-ground hazards to the public.

The bureau and its parent Interior Department maintain their preventive authority applies to hazardous conditions affecting only the miners not the public.

The issue has been raised anew as a result of the Feb. 26 disaster that claimed 118 lives when a dam composed of a coal-mine refuse collapsed, sending a wall of water through a narrow West Virginia valley.

Sen. Harrison A. Williams Jr., D-N.J., chairman of a Senate Labor subcommittee investigating that disaster, said Wednesday that the Bureau of Mines does, indeed, have jurisdiction over hazards threatening the public.

Bureau Director Elbert F. Osborn disagreed. Had the bureau exercised its authority to clear the dam site of mine workers, he said, "the mine operator would not have been legally bound by the order" to remove persons from mine property in the path of the flood.

Osborne acknowledged the bureau has established regulations for inspection of surface mines and installations.

He said, however, that the bureau has emphasized inspection of "the more dangerous underground mines" in following what he believes to be the main emphasis of the 1969 law on coal-mine safety.

# Murder Conviction Asked For Angela Davis

By EDITH M. LEDERER  
Associated Press Writer  
SAN JOSE, Calif. (AP) — The prosecution has asked a jury to convict Angela Davis of first-degree murder, kidnap and conspiracy, alleging she helped engineer a bloody courthouse escape attempt to free the man she loved.

Miss Davis listened intently as prosecutor Albert Harris Jr. delivered part of his final argument Wednesday and asked the jury to find her guilty of the crimes, for which she faces a possible life sentence.

Miss Davis, a 28-year-old black Communist who did not testify in her own defense, has the opportunity to deliver part of the defense's final argument today—proclaiming her innocence as she did in her opening statement. She is a co-counsel in the case.

In his argument, Harris said Miss Davis' own words of love in a series of letters to convict George Jackson were "relevant and indeed persuasive of her involvement in these crimes."

Harris said the evidence

# White House Swinger Meets Belly Dancer

TEHRAN (AP) — Henry A. Kissinger met a belly dancer early today and she ended up in his lap.

The raven-haired beauty, 28-year-old Nadina Parsa, was performing for several hundred journalists and government officials at a dinner party given by the Ministry of Information when President Nixon's bachelor aide arrived after midnight.

Still in tails and white tie after the state dinner given for President Nixon by the Shah of Iran, Kissinger immediately attracted a crowd.

After he and Prime Minister Amir Abbas Holeyda were seated on cushions in the hotel ballroom, the dancer, who had been gyrating on the stage, was led over.

Dressed in her shimmering costume, she performed a pulsating dance a few feet from Kissinger and the prime minister.

At a signal from an Iranian official, plainclothesmen blocked photographers from taking more pictures.

The dancer kissed the prime minister's cheek and then plopped down in Kissinger's lap.

The White House swinger, whose dates with American beauties have made him the talk of Washington, beamed broadly.

"I will be back," he said as he left the party.

Meanwhile, President Nixon went from the brooding elegance of ancient Russia to the airy splendor of modern Persia, from the off-the-rack dresses of the Kremlin wives to the cutout gowns of Iranian society.

Unlike the Soviet Union, where a business-suit severity now prevails in the old playpens of the czars, it was all white tie and tails, long dresses and diamonds at the Shah's Niavaran Palace, one of three

clearly shows that Miss Davis conspired with Jackson's 17-year-old brother Jonathan during the weeks before the Aug. 7, 1970 escape try at the Marin County courthouse in San Rafael. During a shootout which erupted, Jonathan, a judge and two convicts were killed. George Jackson was shot to death a little over a year later in what authorities said was an attempt to escape from San Quentin Prison.

The prosecution has charged that the hostages were taken from the courthouse in an attempt to bargain for the freedom of the imprisoned George Jackson.

During Harris' presentation the jury of seven women and five men were attentive, half a dozen taking sporadic notes. After the defense's final argument today, the prosecution will make its final closing statement.

The judge then gives his final instructions and the jury begins its deliberations. Attorneys said the jury may get the case Friday—at the latest on Monday.

he owns, in the foothills of towering, snow-capped mountains. A full moon gleamed down Tuesday night on the white palace, the royal gardens, the stately trees, the reflecting pools, the lighted fountains and marble terraces splashed with star-shaped clusters of flowers.

The President, Mrs. Nixon and selected members of their party were entertained in high-ceilinged rooms that combined the elegance of French Empire furniture, the antiquity of Persian themes and the simplicity of modern lines.

Weather  
Experiment Station report for 24 hours ending 7 a.m. Thursday, High 81, Low 50.

ARKANSAS: Generally fair and slightly warmer today and Friday. Clear and cool again tonight. High today upper 70s to low 80s. Low tonight mid and upper 50s. High Friday in the mid 80s.

# HOPE (ARK.) STAR, Gunman Takes Hostage, Robs Bank

SAN ANTONIO, Tex. (AP) — A mustachioed gunman was at large early today after he kidnaped a bank president Wednesday and gave him just three minutes to collect about \$22,000 from his bank.

The banker's wife, held as a hostage, was found unharmed afterward in the trunk of her car, police said.

Even as authorities probed the city's third bank robbery in two weeks, another local bank reported an apparent extortion plot that fizzled early Wednesday afternoon.

Sought in the first extortion scheme was a young man with a mustache, flashy clothes and long dark hair who abducted B. R. Bentley, president of the Valley-Hi National Bank.

Bentley, who was released at the bank after he filled an attache case with money, said he was confronted by the gunman when he answered the doorbell at his home early Wednesday morning.

"When I opened the door, I was looking into the end of a pistol," Bentley said.

The bank executive, 59, said he was forced to drive the bandit to his bank, where he was given "three minutes" to enter the firm and return with the attache case filled with \$20 bills.

The bandit remained in Bentley's car while he went inside, and he fled in the auto after receiving the money, Bentley said.

The car was later found abandoned at a nearby apartment complex early Wednesday afternoon.

At about the same time, far across the city at the American State Bank, officials said a man called with a demand that the bank place some money at a nearby motel in return for the safety of a bank executive.

But police said the executive was at a meeting and apparently in no danger, and officials disregarded the call.

In the Bentley case, the FBI and local law officers sought not only the gunman but an accomplice.

Bentley said he never saw the accomplice but his wife, Oral, told police someone drove her around in her car for several minutes after her husband left with the gunman.

She said the driver returned to the Bentley's garage, parked the car and tapped on the trunk, asking if she was all right. After Mrs. Bentley replied affirmatively, she heard foot steps and a door close, she said.

Bentley said the bandit first made his wife bind him with surgical tape, then bound her, then forced him into a bedroom. He said he didn't see his wife again until after the robbery.

The bandit disappeared, and when he returned 30 minutes later, he said an accomplice was holding his wife, "but that no one would be hurt if I cooperated," Bentley said.

They next went to the bank to carry out the gunman's orders, Bentley said.

Shortly after the gunman fled, the executive said, the bank received a call advising officials that Mrs. Bentley was locked in the car trunk.

# 'Double Barrel' Treatment For Leukemia Victims

By ALTON BLAKESLEE  
AP Science Editor  
NEW YORK (AP) — New "shotgun" medical treatments are raising prospects of permanent cure for some children stricken with leukemia, the blood cancer, researchers reported today.

One shotgun approach is double-barrelled. One barrel is a combination of drugs that combat leukemia. The other barrel is X-rays of the head and spinal column to prevent leukemic invasion of the central nervous system. This invasion is often a fatal complication in leukemia.

Through it, some children have been disease-free long enough to suggest the possibility they are permanently cured of acute lymphocytic leukemia, a major form of the disease, said Dr. Joseph Simone of St. Jude's Children's Research Hospital in Memphis, Tenn.

Another approach using combinations of drugs has brought remissions or freedom from the same kind of leukemia in 70 per cent of children, with 90

Loan  
Approved

WASHINGTON (AP) — The Agriculture Department has awarded a \$2.2 million rural electrification loan to the Arkansas Valley Electric Cooperative Corp. at Ozark.

The corporation serves 10 Arkansas counties and several Oklahoma counties.

The office of Rep. John Paul Hammerschmidt, R-Ark., said the loan will finance 90 miles of distribution line to serve 1,100 consumers and will fund two new substations and seven miles of transmission line.

# Miss Arkansas Teen-Ager

Young ladies—last call for you to get your application for the Miss Arkansas Teen-ager Pageant, to be held in Pine Bluff, Arkansas, Holiday Inn, July 1, 1972.

This is the state preliminary to the Miss National Teen-ager Pageant held in Atlanta, Georgia in August.

Contestants must be between the ages of 13 through 17. They will be judged on scholarship, community service and leadership (25 per cent), poise and personality (25 per cent) and beauty (50 per cent).

There will be no swimsuit or talent competition.

The Arkansas teen-ager winner will receive a \$750.00 tuition scholarship to the Modeling Institute of America, with 1st and 2nd runners-up receiving a \$500.00 and \$250.00 tuition scholarship respectively.

The winner will also receive an all-expense paid trip to Atlanta, Georgia to compete for the title of Miss National Teen-ager in August, 1972.

Teen-agers interested in being a contestant may secure an application from Mrs. Fredda Odom, State Director, 361 Binkley Drive, Nashville, Tennessee 37211 or call (615) 832-1609 or 834-1880. Deadline for entry: June 10, 1972. Call or write now for an application!!!!

# Oklahoma Methodists Vote Merger

OKLAHOMA CITY (AP) — The Oklahoma Conference of the United Methodist Church voted unanimously Wednesday to merge with the Southwest Conference, made up of 16 all-black Methodist churches in Oklahoma and Arkansas.

The North Arkansas Conference and the Little Rock Conference already have approved the merger, and the Southwest Conference is expected to approve when it meets Friday.

Bishop Paul W. Milhouse of the Oklahoma Conference said the merger would let the black churches participate fully in conference programs, including service on councils and boards, and would qualify black ministers for the same salaries, pensions and privileges as the white ministers.

Brother Jonathan  
Brother Jonathan, a name for any patriotic American during and after the Revolutionary War, preceded Uncle Sam as a personification of the United States.

per cent of them alive 3½ years after beginning of treatment, said Dr. James F. Holland of Roswell Park Memorial Institute, Buffalo, N.Y.

Both spoke at opening sessions of the National Conference on Cancer Chemotherapy sponsored by the American Cancer Society and National Cancer Institute.

Simone credited a strong dose of X-rays with preventing or delaying the involvement of the central nervous system by leukemic cells, thus prolonging the remissions that can be won through drugs.

The radiation plus two or three years of combination drug treatment has put some young patients into remission with the chance of relapse apparently being small, he said.

One system of treatment made 70 per cent of children free of their leukemia at least temporarily, and a new program combining the principles established in earlier studies "is giving even better results at one year," Holland said.

Between 8 a.m. and 4 p.m. Monday thru Friday

## Calendar of Events

Tuesday, June 6

The Hempstead County Republican Women's Club will not meet Tuesday, June 6, but will meet instead on Monday, June 19, with the county committee at 7:30 p.m. in the Citizens National Bank.

### Births

Mr. and Mrs. Dale Wylie are the parents of a baby girl born at Wadley Hospital in Texarkana on May 29. She is their second child but their first daughter, and she has been named Cindy Cherie. Grandparents are Mr. and Mrs. Arch Wylie of Hope and Mr. and Mrs. Pershing Cox of Prescott.

### Coming, Going

Mr. and Mrs. Vincent Foster returned Wednesday from a European trip that began April 29. Among the countries they visited were Holland, Germany, Austria, Switzerland, France and England.

Attending the May 28 wedding of Miss Cynthia Ann O'Neill and David Chism in Denver, Colo., were Mr. and Mrs. R.W. Chism, Mr. and Mrs. Clarence Geist, Richard R. Chism of Texarkana and Mrs. Jim Johnson of Oklahoma City.

Mr. and Mrs. E.W. Downs have come home from Little Rock after being with the Don Laseter family for several weeks.

### Notice

**Revival Services**  
Union Grove Baptist Church, near Blevins, will begin revival services at 7:30 p.m. May 28 thru June 4. Joe Brown will be the evangelist. Frankie Burke is the pastor.

Saturday, June 3

Miss Marilyn Ann Mitchell, daughter of Mr. and Mrs. Robert H. Mitchell of Hope, and Michael James Davis, son of Mrs. Gertie M. Davis of Arkadelphia and James Willis Davis, will be married Saturday, June 3 at the Unity Missionary Baptist Church of Hope at 3:30 p.m. All friends and relatives are invited.

Miss Susan Elaine Reardon, daughter of Mr. and Mrs. Bill Reardon of Hope, and Glendon Parks Martin, son of Mr. and Mrs. Bill Martin of Hope, will be married Saturday, June 3 at 7:30 p.m. in the First United Methodist Church of Hope. All friends and relatives are invited.

Sunday, June 4

There will be a youth-led revival Wednesday, May 31st, thru Sunday June 4th, at Mt. Nebo Baptist Church, near Patmos. Services will begin each evening at 7:30 p.m.

The youth evangelist will be Bro. Ricky Renshaw, from Unity in Hope. The pastor is Bro. Lane Garner. The public is invited.

## Honors War Dead

—Hope, (Ark.) Star photo

The American Legion Post 12 and Auxiliary honored the veterans on Memorial Day by placing a wreath of poppies at the Memorial Marker of the county's war dead on the courthouse lawn.

Mary Young, Junior activities President of Unit 12, is shown placing the wreath at the marker while Prudence Jones, President, and Dee Coffee, Commander, look on. The wreath was furnished by Mrs. Paul Roberts of Hope Floral and Gifts.

## Television and Radio

**NEW YORK (AP) —** The suspense has been terrific, but it appears now that Michael Bauer, who has been hovering at death's door since the evil Flip Malone shot him a couple of weeks ago, is going to survive. On Wednesday the lady doctor told his wife, Charlotte, that Michael's temperature and pulse were normal and gave a qualified "yes" when asked if he were out of danger.

The improvement ought to relax the seven million or so viewers of CBS' "Guiding Light," a daytime serial that will have its 20th anniversary on television next month.

To many viewers, Michael is almost a member of the family. Actor Don Stewart has been playing the part of the lawyer on the soap opera for 3½ years. After Michael was gunned down, some sophisticated members of the program's audience worried that it might be fatal. Death occurs in the soaps, usually when an actor playing "a core character" in a series succumbs to illness, death or the lure of Hollywood and is so identified with the role that it is believed impossible to replace him.

Stewart usually appears three days out of five, but recently he had been working Mondays through Fridays for months when Michael was defending a woman on a murder charge. His illness was a little off-camera holiday.

Stewart, a handsome bachelor in his 30s, likes his work and has high regard for the acting skills of his colleagues—"the real stars of the industry," he calls them.

At the same time he is aware that serials are rough on the performers' egos since they are more likely to be identified by the public with the name of their characters than by their own names.

## Abandons Work Experiment

**MEMPHIS, Tenn. (AP) —** An 11-month experiment involving a four-day, 40-hour work week for Memphis policemen is being abandoned today, one month earlier than scheduled.

Memphis Police Chief Bill Price said the program, funded by the federal government, has not cut the crime rate as hoped and it contributed to fatigue that resulted in more squad car traffic mishaps.

Uniformed officers will go back on five-day weeks, working eight hours instead of 10 hours per day, he said.

"Most of the men were tired of the experiment," Price said. "They didn't like it. The only thing they liked about it was three days off a week. All of them liked that."

The experiment was begun last July by former Police Chief Henry Lux to test whether having more men and cars on the streets during heavy crime periods would cut the crime rate.

"There was no significant crime reduction," Price said, "None whatsoever. It was just something new and they wanted to see if it worked. It didn't."

Price said he had complaints from some of the wives of the 250 men involved. "The experiment caused a man to leave home an hour earlier and made him 30 to 40 minutes late getting home."

### WIN AT BRIDGE

## Trump Coup Necessary Here

South leads the deuce of clubs to dummy's nine; plays the eight of hearts and lets it ride. He continues with the six to his 10 and overtakes the king of clubs with dummy's ace.

Then he leads a third club and proceeds to ruff it. This brings him down to the same number of trumps as East.

Now he cashes one of his high diamonds; leads a second diamond to dummy's king and starts on clubs once more.

East can trump whenever he feels like it but South will overtrump and make the slam.

So as to stop a lot of mail we must report that if the three witches had been advising West they would have told him to lead a club and beat the hand against any line of play.

## Helen and Sue Bottel The Generation Rap

### The Kids Speak Up

**DEAR RAP:**  
How about another column for us kids? Teenagers don't have all the problems. I'm 12, and could name you a bunch, but my big sister throws a few tears around and gets all the attention. If you'll write a whole column of questions from younger kids, I'll promise to write to you instead of putting a live mouse in my sister's bed next time she gets me in trouble. —HORRIBLE HARVEY (She calls me)

P.S. Besides, I can't find a mouse.

**DEAR HARVEY:**  
In the interests of better family relations (and fewer mice) at your house, here goes: (Remember now, next time your sister bugs you—write, don't fight!—S. and H.)

**DEAR SUE AND HELEN:**  
We have a teacher who treats us fifth-graders like babies. When we have a movie in the auditorium, she says, "Ladies may line up." "Gentlemen may line up" and by the time we're all in line and marching, the other kids (who are just allowed to pile out and go) have got the best seats.

She reads us fairy tales, even like "Goldilocks and the Three Bears."

She calls us "little ladies and gentlemen" but won't let us even breathe without her telling us how—over and over and over again.

We're the only class in school that has to march out to the playground. If one kid's desk is messy, we all have to sit there and wait until he cleans it up.

She's real proud 'cause she has the neatest room and the quietest kids, but we sure don't learn much.

We hear she'll be teaching sixth grade next year. Is there anything we can do? —CHAIN GANG

**DEAR CHAIN GANG:**  
Your principal could modernize this teacher if enough parents complained—and they certainly should when they find out neatness and order mean more to her than learning. —HELEN

**DEAR CHAIN GANG:**  
...For Pete's sake, tell them!

And invite them to a session with the "chain gang" to prove your point. —SUE  
**DEAR RAP:**  
A boy at school likes me. He's friends with my brother. He's almost 12 and kinda shy.

The other day he came over and asked my brother to tell me to come outside so we could talk. Mom said that wasn't right. If he wanted to see me he should ring the doorbell to show respect.

I don't see anything wrong in meeting him on the front lawn. She said write to you and we agreed to take your advice. —CINDY

**DEAR CINDY:**  
If a guy of 17 leans on the horn and expects his girl friend to come running—that's disrespect. But when an almost-12 runs out of nerve before he reaches the front door—that's shyness.

After a few lawn visits, he'll start ringing the bell. Stay cool, Mother of Cindy. —SUE AND HELEN

**DEAR RAP:**  
Ted liked this girl but he's littler than her and she was always hitting him when she got mad. He didn't like the bruises, so he started eating lunch with me because I don't hit.

Now she's got the other girls mad at me, saying I stole her boy friend. I can't give him back if he won't go back. Besides, I like him. —SEVENTH GRADER (ALMOST)

**DEAR ALMOST:**  
Stop worrying! These (almost) junior hi feuds boil up and simmer down so fast that in two weeks you'll wonder why you wrote. —SUE

**DEAR SEVENTH GRADER (ALMOST):**  
...Especially when the NEW crisis seems so much more important! —HELEN

(GOT A PROBLEM? Or a subject for discussion, two-generation style? Direct your questions to either Sue or Helen Bottel—or both, in care of this newspaper, if you want a combination mother-daughter answer.)

Next time you make garlic butter (for French bread), try adding minced parsley and grated Parmesan cheese.

## Yankees Scores 5-4 Victory

By HERSCHEL NISSENSON  
Associated Press Sports Writer  
Sparky Lyle, who picked up his out pitch during a sleepless night six years ago, is doing his best to see that Ralph Houk spends as few sleepless nights as possible.

Houk wig-wagged Lyle in from the bullpen for the 14th time Wednesday night and the left-handed relief ace, acquired from Boston during spring training, posted his 10th save, preserving the New York Yankees' 5-4 victory over Milwaukee.

The 27-year-old Lyle has one triumph, giving him a hand in 11 of New York's 17 victories. He sports an impressive 1.16 earned run average.

Elsewhere in the American League, Detroit edged Cleveland 5-4 in 10 innings, Oakland, trimmed Texas 5-1. Minnesota snipped Kansas City 3-2 and California shaded the Chicago White Sox 4-3. Baltimore and Boston were rained out.

National League scores: Montreal 3, Pittsburgh 2; St. Louis 1, Chicago Cubs 0; Los Angeles 5, San Francisco 4 in 10 innings; Cincinnati 12, Houston 4; Atlanta 5, San Diego 4. The New York Mets and Philadelphia were rained out.

Lyle was struggling along at Pittsfield, Mass., in the Eastern League in 1966 with "only a fast ball and a sometimes curve. Ted Williams, who was the Red Sox batting instructor, came to Pittsfield for a couple of days. I asked him to explain how a slider moves and how it appears to a batter. Ted gave me a detailed account of a slider from a batter's viewpoint.

"I was lying in bed that night, but couldn't sleep. I got up and tried holding a baseball in a variety of ways to envision how I'd have to hold it to get the type break Ted spoke of. I finally decided that there was only one way to do it. I got up and started throwing the ball against the house at 5 a.m."

He's been throwing the slider it ever since.

The Yanks jumped to a 5-0 lead Wednesday night as John Ellis and Gene Michael delivered two-run singles in the first inning and Roy White homered in the third. The Brewers chased Mel Stottlemyre in the seventh and Lyle came on with two runs already in. He

promptly wild pitched another one home, gave up a run on three singles in the eighth and then slammed the door.

The Tigers took over first place in the AL East by one-half game over rain-idled Baltimore when Eddie Brinkman hit a sacrifice fly in the 10th inning after reliever Fred Scherman worked out a bases-loaded, none-out jam in the Cleveland ninth.

It was the seventh loss in a row for the Indians. Norm Cash and Mickey Stanley homered for the Tigers.

Oakland scored three times in the seventh inning on Sal Bando's sacrifice fly and singles by Mike Epstein and Ollie Brown and went on to defeat Texas behind Catfish Hunter.

Reggie Jackson, who homered for the A's off Dick Bosman in the first inning, was struck in the face by a pitch from reliever Mike Paul in the seventh. Jackson walked from

the field under his own power and was taken to a hospital, where X rays proved negative.

Eric Soderholm, hitting just .183 at game time, slammed a three-run homer in the sixth inning following singles by Rod Carew and Harmon Killebrew, lifting Minnesota past Kansas City. It was Soderholm's third home run of the season and second game-winner.

Chicago jumped to a 3-1 lead over California after 5½ innings with Rich Morales accounting for two runs with a home run and single. But Bob Oliver drove in a run for the Angels with a sixth-inning single, Leroy Stanton tied it with a single in the eighth and they won it with two out in the ninth.

Sandy Alomar singled, raced around to third when first baseman Dick Allen muffed a pick-off throw, Mickey Rivers and Vada Pinson walked, loading the bases, and Oliver came through with a single.

## Says Emprise Corp. Debt Is Paid

SANTA FE, N.M. (AP) — Former Gov. John Simms says the \$600,000 debt of Ruidoso Downs to Emprise Corp. of Buffalo, N.Y., has been paid, clearing the way for termination of the Emprise concession contract at the track within five seasons.

A California group that has operated Caliente Race Track at Tijuana, Mexico, for many years is negotiating to buy the corporation that owns Ruidoso Downs and controls Sunland Park.

Simms is attorney and board member for the present owners, Sunland Development Corp.

Asked where the money to pay off Emprise came from, he said, "We just raised it."

The sale of Sunland Development to Kodiak Industries of San Diego, Calif., apparently is subject to approval by the New Mexico Racing Commission, which meets June 16 at Ruidoso.

The commission gave unanimous approval to the sale Sunday.

### SPORT SHORTS

By THE ASSOCIATED PRESS  
MILWAUKEE (AP) — Milwaukee Brewer catcher Ellie Rodriguez was treated and released at Mt. Sinai Hospital for a sprained neck suffered in a first-inning collision during Wednesday night's game with the New York Yankees.

The Yanks' Thurman Munson was thrown out by right fielder Billy Conigliaro as he tried to score. Rodriguez blocked the plate and tagged Munson after the collision.

BALTIMORE (AP) — Jack Mildren, a college quarterback headed for a pro career as a defensive safety, has been signed by the Baltimore Colts of the National Football League. Mildren was a second round draft choice of the Colts after he directed Oklahoma to an 11-1 record last season.

CLEVELAND, Miss. (AP) — Memphis Pros' General Manager Bob Vanatta has been named head basketball coach at Delta State College here.

Vanatta, 53, succeeds Jack Waters, who resigned to accept a similar post with Georgia State College. Vanatta, 53, had been general manager of the Pros since Oct. 1, 1971.

MILWAUKEE (AP) — The Milwaukee Brewers Wednesday announced farm-system personnel changes stemming from this week's promotion of Del Crandall from manager at Evansville to manager at Milwaukee.

Former Detroit Tiger catcher Mike Roarke will move up from manager at San Antonio of the Texas League to manager at Evansville of the American Association.

ject to verification of the backgrounds of the Kodiak principals, including Alvin J. Rosa, Dominic Alessio and Anthony Alessio of San Diego.

John Alessio, father of Dominic and brother of Anthony, is serving a federal prison term on a plea of guilty to tax violations, racing commission chairman Drew Cloud has noted. Simms confirmed this, but described the Kodiak principals as "very knowledgeable horsemen" and "just fine people."

Lawyers for the Californians probably will defend their backgrounds at the June 16 commission meeting, Simms said.

The Emprise obligation dates from July 31, 1969, when Eric Culver of Raton and three associates bought a majority interest in Ruidoso Downs from Eugene Hensley and his former wife as Hensley began serving a federal prison term for income tax violations.

A State Racing Commission investigation showed the July 31 transactions involved the \$600,000 Emprise loan to the Culvergroup plus a contract giving an Emprise subsidiary the concessions at Ruidoso Downs for 20 years.

The concession contract was renegotiated at the request of the Racing Commission on May 19, 1970 to a termination date of five seasons after the note was paid. Simms said this period begins with the present season because the payment was completed on Friday, May 19, the day before the current Ruidoso season opened.

## Smith Is Clay Court Champ

PARIS (AP) — Big Stan Smith, a terror on grass courts who has always had trouble adjusting his game to clay, meets Andres Gimeno of Spain today in the quarter-finals of the French Open Tennis Tournament.

Smith, of Sea Pines, S. C., ranked No. 1 in the United States and seeded No. 3 in this tournament called the world clay courts championships, never has gone beyond the quarter-finals here.

Jan Kodes of Czechoslovakia, the French champion in 1970 and 1971 and No. 1 seed this year, had a run of wildness Wednesday and lost the first set of his quarter-final match against Patrick Proisy of France, seeded No. 9. But Kodes held a 2-6, 8-6, 6-2 lead when play was interrupted because of darkness. The finish of the match will be the first center court action today. The winner will meet Manuel Orantes of Spain in the semifinal.

In another quarter-final, Adriano Panatta of Italy meets Alex Metreveli of France.

The semi-finals of the women's doubles also will be played today with Mrs. Billie Jean King of Long Beach, Calif., and Betty Stove of Holland playing Mrs. Judy Dalton of Australia and Francoise Durr of France, and Winnie Shaw and Nell Truman of Britain meeting Helen Gourlay and Karen Krantzke of Australia.

On Wednesday, Orantes eliminated Harold Solomon of Silver Spring, Md. 6-4, 5-7, 6-3, 6-2.

## Home Run List Grows Longer

Hammerin' Hank Aaron of the Atlanta Braves has tied the flamboyant Willie Mays for second place on the all-time home run list at 648, but says, "The biggest one is still ahead."

The soft-spoken slugger caught Mays Wednesday night in the first inning of Atlanta's 5-4 victory over San Diego when he belted a 3-2 pitch from left-hander Fred Norman into the left field seats along the foul line.

It was his ninth homer this year and left him only 66 away from one of baseball's most revered records—Babe Ruth's 714 lifetime homers.

When Aaron cracked his 600th against San Francisco last year to cut Mays' lead to 33, the Atlanta star quipped, "It's kind of tough to catch a moving target."

"I've got to catch my own targets now," Aaron said Wednesday night. "I just haven't been hitting the ball well at all this year."

Aaron attempted to play down the significance of catching Mays, one of the game's all-time greats who at age 41 is in the twilight of a career that saw him traded from the San Francisco Giants to the New York Mets early this season.

"I've never had a rivalry with him," Aaron said. "If there was any at all, it was just a friendly one."

"I have my job to do and Willie has his," Aaron added. "Anyway, I put myself in a different category. He's 41 and I'm 38 and that makes a difference, no matter what you might think."

The blast Wednesday night also enabled Aaron to reach another major milestone in his 19-year career as he became only the second player to attain 6,000 total bases. It moved him to 6,001, trailing record-holder Stan Musial, who has 6,134.

## Wife Plays Second Fiddle To Putter

By BOB GREEN

Associated Press Golf Writer  
CHARLOTTE, N.C. (AP) — Putting is the name of the game in the pressure-cooker world of tournament golf. That's where the money and the titles are won and the touring pros go to sometime ridiculous lengths to achieve mastery on the greens.

"The esteem with which I hold my putter," Dan Sikes once remarked after a particularly good putting round, "is only slightly greater than that which I accord my wife."

He may have been kidding. Then, again, maybe he wasn't. When they've got it going on the greens, it isn't unusual to see a player take his putter to lunch in the clubhouse. They won't let that short stick out of their sight.

And when it goes bad, they'll try almost anything to get it back.

Jimmy Jamieson made a surprise challenge for the Masters this year, armed with a putter he was pressured into buying by an aggressive sporting goods salesman in a department store.

"It's just like the model the pros use," the salesman prompted Jamieson.

"Well, that, of course, convinced me," Jamieson grinned. Ken Still came out of a long slump last week, notching a 67 with a putter he'd picked up the day before at J. C. Penney's. Cost: \$6.99.

"I tried it on the carpet in the hotel room a couple of times the night before I played Still said, "and it felt really comfortable—just wonderful."

Lee Trevino won the Memphis Open using a putter given him a couple of days earlier by an unknown admirer from Little Rock. Ark. He'd had putting problems most of the early season and changed clubs about as often as he changed socks.

"I always have at least three different ones with me to use on greens of different speeds,"

## Ties Course Record

CHARLOTTE, N.C. (AP) — Bob Charles, New Zealand left-hander, tied the course record with a 65, seven under par, and won a pro-am warmup Wednesday for the Kemper Open Golf Tournament which started today.

Charles earned \$500 for his effort over the 7,278-yard Quil Hollow Country Club course, scene of the open tournament.

Gary Player of South Africa was second with 66 and won \$425.

In team play, each team consisting of a pro and three amateurs, four teams tied with best ball 56. This earned \$325 apiece for pros Phil Rodgers, Tommy Aaron, Jerry McGee and George Archer.

Four players tied for third in individual play with 67s and won \$306 apiece. They were Tom Weiskopf, defending champion in the Kemper Open; Frank Beard; Dave Stockton and Jim Jamieson.

## Signs Contract With Hawks

ATLANTA, Ga. (AP) — Lowell "Cotton" Fitzsimmons, who had a 97-67 record during his two-year stint as coach of the Phoenix Suns, has signed a multiyear contract with the Atlanta Hawks.

Term: of the contract for Fitzsimmons, who is the shortest coach in the National Basketball Association at 5-foot-8, were not disclosed but it is believed he received a modest increase over the \$30,000 he was earning at Phoenix.

The 40-year-old white-haired Fitzsimmons was named Wednesday as coach of the Hawks, succeeding Richie Guerin, who became general manager of the club a month ago.

Fitzsimmons coached at Kansas State, where his club won the Big Eight title in 1970, for two seasons prior to taking over the Phoenix club.

## Wife Plays Second Fiddle To Putter

he said.

Dave Stockton shot a 77 one day and left about a dozen putts short—dead in the heart of the hole.

"When I got back to the hotel, I thought about it," he said. "I decided the only thing wrong with my putter was too light. So I got some lead tape and put two big strips on the putter for weight."

He shot a 64 the next day, needing only 27 putts.

Dave Hill sometimes goes at it cross-handed.

"I just keep changing my hands around until I find something that feels comfortable and whatever it is, that's the stroke I use," Dave said.

### SPORT SHORTS

By THE ASSOCIATED PRESS

BOSTON (AP) — The Boston Bruins have signed veteran Johnny Bucyk to a one-year contract.

Bucyk, 37, who has spent 15 years with the Bruins, ranked eighth among National Hockey League scorers last season with 32 goals and 51 assists for 83 points.

STORRS, Conn. (AP) — The University of Connecticut will represent New England in the College World Series starting June 9 in Omaha, Neb.

The Huskies dethroned NCAA District I champion Harvard with an 11-2 victory Monday. Connecticut, 19-5, will meet Texas in the opening round of the national tournament.

LOUDBON, N.H. (AP) — George Follmer, veteran from Arcadia, Calif., took over his teammate's Javelin in last place after his own car broke down and won the Bryar 200-mile Trans-American road race Monday for the second year in a row.

Follmer took over the Javelin and then captured the lead for good on the eighth lap.

## Catfish Dinner

Recently Benton Fincher, Lt. Bruce, and Hanson Rothwell went fishing on Little River and caught a nice string of Catfish as the above photo indicates. They caught about 20 Cats using blood bait, the largest weighing 14 pounds.

## Atlanta Slugger Ties Mays On Home Run List

By ED SHEARER

Associated Press Sports Writer  
Welcome home, Hank Aaron, you've just caught Willie Mays. Next stop: Babe Ruth.

"The biggest one is still ahead," said the Atlanta Braves' slugger after tying Mays for second place on the all-time home run list with No. 648 Wednesday night and setting his sights on the Babe's record 714.

Aaron's first-inning belt, a typical line drive rocket into the left field seats at Atlanta Stadium, started the Braves to a 5-4 victory over the San Diego Padres.

"I haven't been hitting the ball well at all this year," said Aaron, who could have fooled some. He's hit nine out of the park so far.

Elsewhere in the National League, the Los Angeles Dodgers nipped the San Francisco Giants 5-4 in 10 innings; the St. Louis Cardinals topped the Chicago Cubs 1-0; the Montreal Expos beat the Pittsburgh Pirates 3-2 and the Cincinnati Reds bombed the Houston Astros 12-4. Rain washed out the game between Philadelphia and New York.

American League results: Detroit 5, Cleveland 4 in 10; Oakland 5, Texas 1; Minnesota 3, Kansas City 2; New York 5, Milwaukee 4 and California 4, Chicago 3. Boston at Baltimore was postponed by rain.

After Aaron's blast gave Atlanta a 1-0 lead, the Braves added another run in the first on Earl Williams' run-scoring

single. They tallied a pair of unearned runs in the third on a hit, an error and three walks and another in the eighth on pitcher Ron Reed's sacrifice fly that proved to be the winning margin.

Reed gave up a run in the second and another in the eighth before relinquishing Larry Stahl's two-run homer in the ninth and taking a shower. Cecil Upshaw then came in to get the final three outs.

Manny Mota's tie-breaking triple in the 10th pulled Los Angeles past San Francisco and gave the Dodgers a 1½-game lead over Houston in the West race. Mota's hit scored Willie Davis, who had led off with a walk.

Lou Brock singled across Dal Maxvill from second in the fifth inning and Bob Gibson pitched a three-hitter, giving St. Louis its triumph over Chicago.

"I never really get going 'till June," said Gibson, who won his second straight game after five losses.

Tim Lincecum's run-scoring single in the sixth inning drove home the decisive margin in Montreal's triumph over Pittsburgh that dropped the Pirates 4½ games behind the Mets in the East.

Ernie McAnally won his first game of the year for Montreal after five losses.

George Foster, hitting .167 at game time, crashed a grand slam home run to highlight a six-run third inning and help Cincinnati tame Houston.

## West Likes Playing On 'Natural Course'

By GEOFFREY MILLER

Associated Press Sports Writer  
SANDWICH, England (AP) — Marty West, 23-year-old amateur golfer from Chevy Chase, Md., faced one of the toughest matches of his career today.

The chunky American had to play Rodney Foster, an experienced British Walker Cup campaigner and a seeded player in the fourth round of the British Amateur Championship.

West, who finished sixth in the U.S. amateur last year, is playing in Britain for the first time. He is getting to know the 6,633-yard, par 34-36-70 Royal St. George's links where the weather constantly changes and the wind plays havoc with drives.

# Kiwanis Club Speaker

DR. MARC JORDAN

Dr. Marc Jordan, Director of the Out Patient Clinic and head of the Department of Pharmacology University of Arkansas School of Pharmacy, was the guest speaker at Tuesday's Kiwanis Club meeting. Kiwanian David Stewart arranged the program and introduced the speaker.

Dr. Jordan prefaced his remarks by saying that his talk was a message of frustration and a message of hope, and then brought a very informative talk concerning drugs, not those dispensed by reputable pharmacist but those illicitly peddled drugs which present one of the major problems of our society. The speaker graphically illustrated with weights, samples and examples just how potent an infinitesimal amount of certain drugs could be.

A kilo (2.2 lbs.) of Marijuana produces about \$2.00 for the grower outside the United States. In the hands of the importer it is worth about \$500, and it is estimated to have brought \$100,000,000 into the hands of unscrupulous sellers. The opium producer realizes about \$9.00 for each kilo, and it takes 10 kilos of opium to

produce 1 kilo of heroin. One kilo of heroin costs the addicts up to \$1,000,000. A conservative figure for the amount of heroin sold in America last year is \$230,000,000.

"You are wrong, if you think your community is not affected," said Dr. Jordan, "I have seen youngsters from many small communities and towns brought into our hospitals for treatment and sometimes to die."

How does this affect the business community of our nation? It takes at least \$10,000 a

year to support a heroin addict. He can't earn it so he steals it. A conservative estimate of theft to support heroin addiction is one and one-half billion dollars stolen last year.

The criminal element is anxious to get people "hooked" on the drug habit, and cares not what happens to those who are hooked. Dr. Jordan stated that he had worked closely with youth groups for more than eighteen years, and he finds two needs or elements for which youth is seeking. "Kids want love, a genuine love, no faking, and they want a family unit, not just a family, but a family unit of which they can feel an integral part," said Dr. Jordan. "I have a feeling of frustration over the drug problem, but I also have a feeling of hope when I remember that our kids are basically good kids."

The speaker admonished the Kiwanians to listen to the youth and to educate themselves concerning the youth.

## Fair Weather Expected For Weekend

By THE ASSOCIATED PRESS

A large high centered over Northeast Arkansas was expected to bring fair weather to Arkansas at least through Friday and possibly through the weekend.

The National Weather Service said the high was drifting slowly to the east and a slight possibility of showers would probably develop Saturday and Sunday.

The forecast called for fair and warm days with clear and cool nights through Friday.

Highs Wednesday ranged were cool in the north. Harrison recorded a high of 71. Temperatures ranged upward to 81 at Pine Bluff and Little Rock.

## DR. LAWRENCE E. LAMB

## Allergy Can Be Difficult to Trace

By Lawrence Lamb, M.D.

Dear Dr. Lamb—Some time ago I read an article by you about the person who had swelling of the lips (angioneurotic edema) and had been tested for all kinds of allergies for almost everything. I wanted to add my experience in hope that it would help somebody.

I had this problem when I was in high school and had intermittent attacks of clowny and itchy face. I was told not to eat this or drink that and not to be nervous. The worst problem was that sometimes my throat would swell and the doctor was concerned that it might shut off my breathing.

Finally I saw an allergy doctor who diagnosed my problem. Since all the tests done by other allergists to different foods, insect bites and so forth were negative, he concluded that it was none of these and it wasn't. My problem was simple aspirin. Oh, I didn't get the attacks immediately after taking the aspirin, but sometimes several days later and with observation and study it became apparent that I was allergic to the salicylate which is in aspirin and in other medicines.

Whenever I have been in the hospital since then, I have often had trouble convincing people that I have an allergy to aspirin and salicylates and every once in awhile someone gives it to me and I have trouble again but if I am successful in avoiding taking any aspirin or salicylates of any type, I don't have any problem. It has made a great difference in my life and it means being able to live a perfectly normal life without any itchy, clowny face and running to the hospital emergency room for adrenalin.

Dear Reader—Thank you for your nice letter. It is true that some people are allergic to aspirin, like you. Unfortunately, many people have this same problem from allergies to other substances and, as you have discovered, it is a long, drawn-out process in finding which substance is guilty. You are very fortunate and saw a very good doctor. Certainly allergy to aspirin or other medicines should be considered when searching for the cause of an allergy.

Dear Dr. Lamb—Would you explain why caffeine is always included with aspirin and other medicines for headaches?

Dear Reader—Caffeine is useful in relieving headaches in some people because it causes constriction of the arteries to the head, both inside and outside the skull. A large number of headaches are caused by temporary dilation of these arteries and if the caffeine

Forfeited \$71.90

Walter Turner, Driver in possession of illegal drugs, Forfeited \$271.90 cash bond

Richard Johnson, Improper use of lease, Forfeited \$196.40 cash bond

Sam Rees, Improper lease, Forfeited \$321.90 cash bond

Thunderbird Motor Freight, Improper lease, Forfeited \$196.40 cash bond

Greendyke Transport, Log book not current (2 counts), Forfeited \$46.90 cash bond (Same on both counts)

Bobby Landis, Murdock Metals, Unsafe vehicle, Forfeited \$71.90 cash bond

Basel Tidwell, Overheight, Forfeited \$46.90 cash bond

Ronald D. Pigs, Fictitious bill of lading, Forfeited \$121.90 cash bond

Shunk Mfg. Company, Fictitious bill of lading (2 counts), Forfeited \$121.90 cash bond (Same on both counts)

Wilmer Drenery, Shunk Mfg. Co., No ATC Authority, Forfeited \$121.90 cash bond

General Transportation, Landis Brothers, No Registered authority, with ATC Forfeited \$196.40 cash bond

### CIVIL DOCKET

Milwaukee Knit vs. S&S Styles, unlimited. Action on account for \$227.65. Judgment by default as per precedent

causes them to constrict the headache is relieved.

However, it is not going to help the person who is accustomed to drinking lots of coffee.

(NEWSPAPER ENTERPRISE ASSN.)

## PERSONAL FINANCE

By CARLTON SMITH

Droves of disillusioned vacationers return home every year crying for the blood of the travel agent who sold them that rotten packaged tour. Others come back happy as a man whose stock has just gone up 20 points, and besides inflicting their color slides on you will press the name of their agent upon you as if they'd found a doctor who makes house calls.

What makes the difference? How can you avoid the woe of experience of spending all that money to buy two or three weeks of happiness and reaping only rue, along with the devout wish that your travel agent should drop dead in the garbage dump?

There are two reasons, in the main, for agent-arranged vacations that prove to be disappointments. One is that you were dealing with an agent who, to put it charitably, perhaps should be in some other line of business.

Just as there are differences among violinists, mathematicians, horse trainers and baseball players, so it is with travel agents. Some are better than others. You don't have to pass any proficiency tests to become one; anybody can put a sign in the window saying he's a travel agent. There are at least five franchise organizations that will set you up in the business.

Agents work in one of two ways. If you have your own vacation plan, an agent will work out your travel schedule and make the reservations, and arrange your hotel accommodations. Or you can buy a packaged tour, which some wholesaler has probably put together, the agent acting as a middleman retailer. An experienced agent who really knows the travel business has a lot of expertise to put at your disposal. One who's little more than a sales clerk, offering an array of someone else's packaged tours, is only going to provide you with whatever you buy.

## LEGAL NOTICE

### STRUCTURES

### Central Urban Renewal Project

### Notice of Auction Sale

Notice is hereby given that the Housing Authority of the City of Hope, Arkansas will hold a public auction on the 16th day of June 1972 at 10:00 a.m. for the purpose of selling structures within the Central Urban Renewal Project Area to be demolished or moved. This sale will be held on premise located at 503 South Main Street, Hope, Arkansas, parcel no. 17-2 (known as the Katherine Lauterbach home).

The residence is to be demolished and site cleared, the garage apartment can be moved off, it is approximately 26'x22', consisting of a Living Room, Bedroom, Kitchen, Bath and walk in closet.

Terms and condition of this sale may be obtained at the site office 112 West 6th Street or 720 Texas Street, Hope, Arkansas. Phone 777-5742 or 777-5714 Hope, Arkansas. Bidders must comply with terms and conditions, therefore please get copies from offices.

The agency reserves the right to withdraw any and all structures listed from sale and to reject any and all bids that might be received.

In the event of bad weather, sale will be held on the inside of the structures.

Housing Authority of City of Hope, Arkansas  
William S. Bader,  
Vice Chairman

## USSR Won't Shoot, Rogers Reports

By ARTHUR L. GAVSHON  
Associated Press Writer

LONDON (AP) — The CENTO allies gathered in London today, and Secretary of State William P. Rogers was reported ready to warn them of continuing Soviet pressure and penetration in the Middle East so long as the Arab-Israeli conflict is unsettled.

However, diplomatic authorities said Rogers was expected to predict that the Russians will seek at all costs to stay out of any shooting war in the area. Informants said his presentation takes full account of President Nixon's talks with Soviet leaders in Moscow.

This American assessment was prepared for the annual foreign ministers' meeting of the Central Treaty Organization, or CENTO. The United States is an associate member of the group, which is made up of Britain, Turkey, Iran and Pakistan.

The ministers of the five nations also are due to examine a secret report on the spread of Communist subversion, especially through the Middle East.

High-ranking sources said Britain shares American expectations that the Russians intend to pursue their drive for influence in the Mediterranean, the Middle East, the Persian Gulf and the Indian Ocean.

The CENTO conference will discuss how to counter advances the Soviet Union has made in concluding friendship and cooperation treaties with Egypt, India and Iraq and in supplying arms in the area.

During his visit to Moscow, Nixon pledged with the Russians to go on working for a

peaceful settlement of the Arab-Israeli conflict in line with the U.N. Security Council resolution of November 1967, which calls for the withdrawal of Israeli forces from Arab territory captured in the six-day war, an end to the state of belligerency against Israel and "secure and recognized boundaries" for Israel.

Another controversial issue that may come before the two-day CENTO meeting is Pakistan's urgent search for new arms to replace what it lost in the war with India last December.

The British have been working to keep the question of arms for Pakistan off the CENTO table so as not to antagonize India.

## H. Rap Brown Sentenced On Gun Charge

NEW ORLEANS, La. (AP) — Black militant H. Rap Brown was to be resented on a federal gun charge today, a day after being brought to Louisiana from a New York jail.

Brown was scheduled to appear in U.S. District Court for the new imposition of a sentence on a 1968 conviction of illegally transporting a firearm across state lines.

The previous maximum sentence of five years in prison and a \$2,000 fine had been canceled by a federal appeals court on the grounds it had been pronounced while he was "in absentia."

The 28-year-old Brown had disappeared, becoming a member of the FBI's "most wanted" list, but was wounded and arrested when police halted an armed robbery of a New York bar last October.

Use of adhesive stamps was adopted in England in 1839 and begun in 1840.

# DISCOUNT with a DIFFERENCE

**REMEMBER: We Gladly Accept USDA Food Coupons!**

Shop any time you choose at your Safeway Discount, where you get big savings every day on fine beef, pork, and lamb. All cuts are from top grades of meat, close-trimmed to remove excess bone and fat before weighing to give you even more value for your money. Take advantage of Safeway's discount prices on meats . . . and on the other foods all over the store!
